

“It’s smart to be able to accept multiple payment options, as long they’re easy to use. That’s one of the things I like about PayPal integration with NCR Silver, and of integration in general: No extra work. When you have fully integrated payment alternatives, it makes customers and employees happier.”
– *Mehul Patel, Dominican Joe owner*

ORDER UP, STRESS DOWN

You may run an amazing coffee shop, quick-service restaurant or counter-service café. But business doesn’t stop after your latte, latke or lentil soup is enjoyed. You still have employees to track, inventory to manage and customers to engage.

From knowing what’s going on in payroll to customers getting your most recent offer, NCR Silver has you covered. Don’t we all need fewer worries?

SILVER POS FEATURES FOR CAFES

Here are just a few things your counter-service cafe, quick-service restaurant or coffee shop can do with NCR Silver:

- Automate sales tracking
- Easily track employee hours
- Engage customers with built-in email features
- Speed up service with wireless printer routing
- Bust lines with an order-ahead app and Apple Pay™
- Make payments even more seamless with PayPal™
