

“NCR Silver is simple to use and just offers what I need. I don’t have to train our groomers because it’s intuitive to anyone who has ever used an iPhone.”

– *Melissa Pearson, Cold Spot Grooming manager*

CONSIDER YOURSELF SERVED

Customer service for your business is king. Whether you wash cars or dogs — or cut lawns or hair — your service is your product.

That’s why you need a technology partner that can do more than just take payments. From empowering your reps to upsell on the road to arming you with powerful sales tracking, the mobile NCR Silver™ point-of-sale system for service providers offers everything you need to run your business and better serve your customers.

FEATURES FOR SERVICE PROVIDERS

You can better engage customers by taking orders at the counter or on the floor with your iPad® or iPhone®. But NCR Silver also provides you with easy-to-use back office tools to easily run your service business.

- Speed up service with wireless printer routing
- Take credit transactions, even when no internet is available
- Send email receipts
- Automate sales tracking
- Easily track employee hours
- Engage customers with built-in email features
