There will always be someone there to take a call or respond to a request for assistance. We provide 24 / 7 Help Desk Support and we have online knowledge base with video tutorials and FAQ.

Secure Transactions

We take security very seriously and our program is a PCI Compliant platform. No credit card or electronic check information is stored within in the software or on the kiosks.

System Administration and Management Portal

RuCharitable powered by ClearGive comes with a web-based management portal that allows you to manage donations, your donors and the RuCharitable program.

- **Report Login from anywhere**
- **Update donor profiles**
